## **Miami-Dade Public Library System to provide Reemployment Assistance Applications at 26 library locations**

*Printed copies will be available in English, Spanish and Creole*

**MIAMI ( April 06, 2020 )** — In an effort to help Miami-Dade County residents applying for state unemployment benefits, especially those who do not have computers at home, the Miami-Dade Public Library System (MDPLS) will be providing printed copies of Florida Department of Economic Opportunity (DEO) Reemployment Assistance Applications at 26 library locations beginning Wednesday, April 8.

Unemployment applications in English, Spanish and Creole and envelopes to return them in will be available for pickup at tables outside the library entrances from 8 a.m. – 7 p.m. seven days a week until further notice. Residents can take the application home to fill out and then return it in the sealed envelope by dropping it off in the library location's book drop or at any [CareerSource South Florida](#) location. Applications will be picked up from the book drops every day and delivered to CareerSource South Florida where trained staff will send them securely overnight to DEO in Tallahassee for processing. Residents can also download and print a [copy of the application](#) from DEO's website and return it to any participating library's book drop.

MDPLS will be practicing social distancing at the library sites, with informational signage and markings on the ground spaced six feet apart.
